Discovery Bay, Hongkong

Mesdames:

In behalf of ICA Batch '81 and the ICA Alumnae Association, we would like to extend our heartfelt and deepest gratitude to your group for your generosity and helpfulness.

Your HK8,000 donation benefited 1,200 Filipino families who were victims of Typhoon Peping . We were able to buy 37 sacks of rice (50kgs. each). Each family received 1.5 kgs. of rice aside from other canned goods and food stuff.

The relief goods were personally delivered and handed out by our alumnae members. Joy, hope and appreciation in the midst of crisis were evident on the faces of the beneficiaries when they received your help, truly, in their darkest hour of need.

We thank you very much for your timely and selfless support to this cause. And in this season of Christmas, we wish you and your respective families boundless happiness and blessings today and in the years to come!

Very truly yours,

JOCELYN YOUNG
Treasurer
ICA Batch '81
